This Board came into existence in the latter part of 1899 and your official connection with it dates from June 1902. It is no exaggeration when I say that the inception and working of the Board owe a great deal to your keen perception of the growing needs of the Field and the advice tendered by you from time to time on the several questions as they cropped up. You have been associated with the Kolar Gold Field for the past 13 years and may claim to be its Nestor. You are intimately acquainted with the several phases of its history and development. I believe I echo the sentiments of all the members of the Board when I say that if any one gentlemen can claim the predominant share in building up the Mining Industry and making the Kolar Field a success, *to you* belongs that proud honor. You have helped forward the Industry in all directions and laid the foundations for a future full of bright hopes and anticipations. Your advice and assistance have been freely resorted to and ungrudgingly given on all occasions and in every matter touching the prosperity of the industry and the welfare of the men working in it. You, Sir, may look back with pride on the record which you are leaving behind you.

The new town of Robertsonpet, the offspring of the mines, owes its existence and its rapid development to the labors of this Board, of which you have been a conspicious member. Its affairs have always received a sympathetic response from you.

To the Government officers associated with the Board, you have been a personal friend and valuable co-adjutor and they have invariably receivedf rom you a full measure of assistance and support. You have smoothed their difficulties and helped to crowntheir abors with success. To them your departure from the Field will be an irreparable loss. It is however some consolation that you will come back to us for some months every year.

In taking leave of you the Board wish to repeat their expressions of regard and esteem and they sincerely hope that you will enjoy your well earned rest and that the blessing of good health and every happiness will attend you in your retirement.
